

# Year-End Updates from MnCCC

Another year is almost over and MnCCC is reflecting on what we've accomplished in 2022, and what's to come in 2023! As always, we wish you and your loved ones a safe and happy holiday season and a prosperous New Year!

Our office will be closed in observance of Christmas on Friday, December 23 and Monday, December 26. We will also observe New Year's Eve and Day on Friday, December 30 and Monday, January 2.

## .gov Domain

MnCCC has finished the process of moving everything over to a .gov domain! This includes our website and email addresses. Be sure to update your contact information!

## MnCCC Conference

Planning for 2023's Annual Conference is well underway! Session proposals and vendor registration are live on our website under "Events". Save the date for June 5-8, 2023!

## User Groups

New User Groups emerge each year, and we are proud to announce the official rollout of the Tyler User Group as of August, 2022! Get in touch and join the group by signing up on RSVP today!

## Training

We continue to offer successful training courses throughout the year! From M365 Training to Leadership and Facilitation Training, there's something for everyone! We are working hard to add 2023 training, which includes new installments of Accelebrate training, created just for MnCCC! Check out RSVP and be sure to reserve your seat!

## Training Program

Members subscribe to a training tier where they will gain access to LinkedIn Learning licenses, earn a \$100 credit toward training add-ons, and receive first notice of training. In the next few months, we will be offering targeted, discounted training options that you can add-on to your tier, based on interest. We plan on offering additional add-on options for facilitation training, leadership training, IT training, employee development, and more! Contact MnCCC if you haven't already joined our new program! *Have ideas for training sessions or things to add to our new training program? Contact us at [info@mnccc.gov](mailto:info@mnccc.gov)!*

## Meet the Team

Meet MnCCC's team of energetic, dedicated professionals that bring local Minnesota government agencies together for collaboration on software and technology services that improve the landscape of public services across the state. Each staff member plays an integral role in providing quality services to MnCCC members. For more information, visit our new "Meet the Team" webpage under "About" on our website!

## Special Update!

Lisa Meredith was awarded the Golden GovIT Individual Leader award at the Government IT Symposium in December 2022. The award honors an individual who champions and implements innovation, inspires collaboration, is focused on improving service, and demonstrates a personal commitment to advancing the professional and career development of themselves and others in their agency.

**Lisa Meredith,**  
**Executive Director**

**Mike Fox,**  
**Chief Financial Officer**

**Emily Ladd,**  
**Marketing & Membership Specialist**

**Amanda Beyer,**  
**Communications & Events Coordinator**
